100 Years of Excellence

Milford Goes 11-0

This marks the 2nd time under the stewardship of Head Coach, Bill Chaplick, that the team has gone undefeated. In 2011, Coach Chaplick's Falcon team went 12-0 led by current NFL players, Tyler Matakevich (Pittsburgh Steelers), Levern Jacobs (Washington Redskins), Dimitris Smith (Los Angeles Rams), and Paul Magloire (Tampa Bay Buccaneers) Gerod Holliman (Pittsburg Steelers) and Ashton Broyld (Jacksonville Jaguars) gave Milford their first undefeated season since arriving in New Berlin, NY.

It wouldn't take long before he was able to replicate that success in 2016. With big victories over Yale University, Cornell University, and a thrilling last second win in Annapolis over Navy JV. Led by offensive MVP, Jaylen Larry and defensive MVP, DeAndre House, the victory secured Chaplick's 151st win as the Head Coach of the Falcons.

Dedicated to Coach Dick Downey

Founder of Milford Academy PG Program

Legendary Coach Dick Downey, founder of Milford Academy' PG Football Program in 1969, passed away Saturday, May 28th, 2016. Our deepest sorrows go to his wife Pat and his sons, Clint and Trevor. Coach Downey changed and influenced countless lives for the better for over 50 years. He will be forever missed.

Dick is well known as "Coach." He began his career in football at Milford Academy, Milford, CT, before moving to the position of defensive coach at the University of Rhode Island (URI). He was part of Head Coach Robert Griffin's coaching staff. He devoted himself to the development of the players and was a role model to the young men on the team.

Coach Downey successfully developed a business focused on marketing sports equipment and apparel to high schools and colleges in Connecticut, Rhode Island, Massachusetts, and Maine. He treated his customers as friends and went over and above to give them excellent service until the time of his death.

Coach continued to be actively involved in training high school football players in Rhode Island at Narragansett High School, North Kingstown High School and Cranston East High School through the 2015 season. He successfully completed 53 years of coaching with devotion to the players and to nurturing new coaches.

Coach Downey has been honored over the years with the awarding of the Milford Academy Founder's Appreciation Recognition (1990), The URI Fifth Quarter Club Appreciation Award (1992), Rhode Island Football Coaches Hall of Fame (2003), Providence Gridiron Club Hall of Fame (2004), Rhode Island High School Football Coaches Association (2004), Rhode Island Chapter of the National Football Foundation (2012). Coach received an award from the Governor's Cup Committee for his contributions to the CT/RI High School All-Stars.

Dedicated to Charles “Father Chuck” Taylor

Never Missed a Pre-Game Prayer for 12 Years!

On Palm Sunday, March 24, 1985, Fr. Chuck and his family accepted a position at St. Andrew's and St. Matthew's churches in New Berlin and South New Berlin, NY. He celebrated his 25th year serving the parishes in 2010. In honor of his 25 years, a gift of a cruise to Alaska was given. Seven years ago Fr. Chuck became active in the pursuit of regional ministry. Emmanuel Church in Norwich was added to the churches he served. Many church activities are now a combination of all three churches. Fr. Chuck divided his time between New Berlin, South New Berlin and Norwich.

During his ministry, Fr. Chuck faithfully served not only the three churches but also the communities and surrounding areas. He was proud to call his service to the community a “street ministry.” Fr. Chuck has performed innumerable marriages, funerals and baptisms for parishioners, their families and others. His ministry to the elderly and local nursing homes was very important to him; he loved them and they loved him in return. Fr. Chuck had a special passion for feeding the hungry and bringing the communities together. He ran the Unadilla Food Pantry housed at St. Andrew's in New Berlin and started the free meal sponsored by area churches known as Chit, Chat & Chew. Fr. Chuck was instrumental in starting the Emmanuel Soul Kitchen which provides a free meal once a month at Emmanuel Church in Norwich. He spoke fondly of the people who attended.

Throughout his tenure, he served on numerous committees of the Episcopal Diocese of Central New York. Since 2010 he has served as the Diocesan Dean of the Chenango District. In addition to his church activities, Fr. Chuck served as chaplain of the New Berlin Fire Department and chaplain of the football prep school Milford Academy. In the summer months he loved umpiring baseball games at Doubleday field in Cooperstown, NY. Fr. Chuck loved what he did and the people he served.
